VAAC Training, Events & Networking Opportunities

Please can we remind everyone to book in advance for each VAAC event/meeting. This helps us to organise a suitable venue for the numbers attending and also enables us to notify you of any important changes (date/time/venue) in advance - thank you

For our terms and conditions regarding bookings for our training sessions please click [here](#), and for bookings for our events please click [here](#)

Attendees must book their place at these events using the requested system (usually via Eventbrite). Due to pressure on places we request that if you are unable to attend you at least de-register using the same system or send apologies, this will allow others to take their place.

In future if you register but fail to attend we will record this and ask for a refundable deposit for any future bookings.
