External Training Providers

From time to time we pay external providers to hold training sessions on our behalf – for example, 1st Aid. These sessions are paid for by all attendees. Prices are available at the time of booking.

Bespoke Training

Member organisations may request to receive bespoke training for their own staff and/or volunteers. These sessions are charged and prices are given on request.

Booking and Payment

Booking is through Eventbrite. We offer 2 places per organisation and if any further places are required we hold these on a waiting list and will inform organisations nearer the time if there are spaces available. If a participant is unable to come to a session, it is a requirement to de-register on Eventbrite. This allows another person to take a place. Should de-register fall within 3 working days of a session for which an organisation has paid, payment will be held by VAAC to cover our costs, otherwise the payment will be reimbursed.

All payments must be received before the training or event which will secure a place.
