VAAC Impact Case Studies

Name of organisation: Yapton Short Mat Bowls Club

What support have you received from VAAC: VAAC gave support about how to write a funding application for Sussex Community Foundation. Suggested YSMB attend SCF's funding surgery. NG reviewed their draft before submission to SCF. Awarded £6,800 July 2022

What impact has this made to your organisation: I am delighted to report that I have received notification that our request for funding has been granted from the Sussex Community Foundation via the Cragwood Fund. The full amount asked for has been granted £6,800. I took the advice from the zoom meeting Margaret and I attended and waited until May to apply when the offers increased from £5,000 to £10,000. This money is going to make such a difference to the club, I can't thank you enough for your assistance
