

## **WAKING NIGHT SUPPORT WORKER**

**Salary: £21,979 per annum**

**Hours: 12hrs a night / 3 night on 3 night off shift pattern.**

**Located: Chichester Hostel**

**Contract: Permanent**

Stonepillow support and empower homeless and vulnerable people in our community to achieve sustainable independence and wellbeing and make positive changes in their lives.

Our hostels offer safe accommodation to homeless clients, some with complex needs. During the night there is a need for skills to calm, support and engage clients to maintain their health and wellbeing. There is significant connection to the day support services and the night support that ensures a one team approach.

We are looking for an enthusiastic person to join our committed team to provide informal support to hostel clients and maintain a safe environment for all.

Previous experience of working within the homeless sector or similar setting is not required as this is an ideal opportunity to start your career in the sector in a role which is meaningful and highly skilled.

It is essential to have a non-judgmental and supportive approach to assisting single homeless and vulnerable adults. Our clients are at the heart of our work and we ensure that we work in a person-centered and strengths-based approach to ensure they reach their goals and independence.
