

Driver vacancy for Community Transport Sussex

Date posted: 13 April 2026

Pay: £12.77-£14.27 per hour

Job Description:

Are you looking to earn as well as giving something back to our community?

Can you drive and are you looking for a flexible part-time varied role?

Community Transport Sussex supports those who are isolated and who struggle to use mainstream transport to access services, health appointments and social activities. We are looking for drivers who are community minded to support our services across the Midhurst and Chichester district.

If you would like a varied flexible job that gets you out and about and contributes greatly to the local community then we would like to hear from you.

You will need to have category D1 on your driving licence (you will have this if you passed your test before 1997) if you passed your driving test 1998 or later you do not hold a D1 category licence.

This role will require an enhanced DBS check. This is the Disclosure and Barring Service Certificate enabling you to work with the elderly, vulnerable people and children. This is not a pre-requisite as we would put you through this if you did not have one. So you would have to be prepared to undergo a security check which we would pay for. Full training will be given in all aspects of the work.

We are looking for people who are interested in becoming a driver for us driving on both our DDRT Midhurst Service (Digital Demand Responsive Transport), on a School Run and as part of our Dial-a-Ride service.

Hours of operation are Monday to Saturday 06.30am to 7.30pm.

The morning AM shift is 7am to 1.30pm and the afternoon PM shift is 12.30pm to 7.30pm. You may be required to do a mixture of these shifts spread out along the week. Other distribution of work may change to suit business needs.

Positions available are Zero Hour contracts. Pay rates are as follows:

- On our DDRT routes Monday to Friday from £13.02 per hour; Saturdays £14.27p per hour, plus holiday. You will be required to work shifts of 7 hours per day.

- On our Dial-a-Ride services the hourly rate is £12.77.

If eligible, you will also be able to join the company pension scheme. We also offer an Employee Assistance Programme.
