

Various volunteering opportunities across the

Manhood Peninsula

Selsey Community Forum are now working across the Manhood Peninsula (Selsey, Bracklesham/Witterings/Earnley/Highleigh/Sidlesham/Hunston) and need to establish volunteers to meet demand of our services.

Our volunteers come from all walks of life, varying life experiences, and specialist knowledge, qualifications or interests. But mostly they love what our charity does, and keen to support their local community. Opportunities can arise in different locations.

If you have the following experience or skills we would like to know:

- ✓ **Administrative/form filling/paperwork/IT to support our Money Support Services**
- ✓ **Caring, kind, keen to enable people to live well with dementia and other various health conditions to access activities and support our wellbeing checks: (home visits and group activities)**
- ✓ **Caring, kind, good listener, sets clear boundaries, open mindset, inclusive**
- ✓ **Friendly nature, background in health or social care to support our Hub Work, Good Morning Calls or Robins Service**
- ✓ **Enjoy driving, practical, supporting people to access their medical appointments (Buddy Assisted Transport Services)**

We will provide training and support dependent on the role (Robins have a specific training programme)
To see the work we do check our website: www.selseycommunityforum.uk
