// OUR MEMBERS SAY

“VAAC is an excellent resource. The team have been utterly welcoming, supportive and provided essential information for the success of our venture.”

“I have found that the networking meetings provided by VAAC have been invaluable, and I have made contacts at them which have proved useful to my clients.”

“VAAC has really helped me get to grips with the ins and outs of setting up a community group. I've had great support in regards to how to set up my constitution and it's great to know there is somewhere I can go when I'm confused.”
