

## **WSCC Travel information**

Many areas in West Sussex are covered by the rail network and local bus routes. If you can, please support your guests with practical information such as the location of the closest railway station and bus routes.

To welcome all new arrivals to the UK and onto our West Sussex bus services, we are really pleased to be able to offer 12 weeks of free bus travel for your guests. The local bus companies are offering 4 weeks travel and WSCC are providing an additional 8 weeks.

Bus travel in West Sussex is provided by 3 main companies – Metrobus, Compass and Stagecoach. The websites for the companies are below. Route information and maps are found on their websites. We can offer free travel for only one bus company, so would ask that you choose carefully which company provides the services that you will use.

To apply for this free travel offer, please send an email to [ukrainesupport@westsussex.gov.uk](mailto:ukrainesupport@westsussex.gov.uk) with the subject line of 'Free Bus Travel', giving the full names of those who require a bus pass, the address in the UK and which one bus company the application is for. By sending the email, you are consenting that you are happy for us to pass details to the bus company where necessary.

We will then send you the details of how to apply for the pass. Each company has a slightly different process but this will be explained in the information sent to you.
